WHAT MERCHANTXPORTER COORDINATES

■ Product confirmation

Model, size, use case and reference configuration.

■ Sampling

Physical product and colourway approval.

■ Material review

Material grade, food-contact or intended-use requirements.

■ Retail pack

Printed carton, bag, sleeve or set presentation.

■ Quality route

Checks against approved sample and specification.

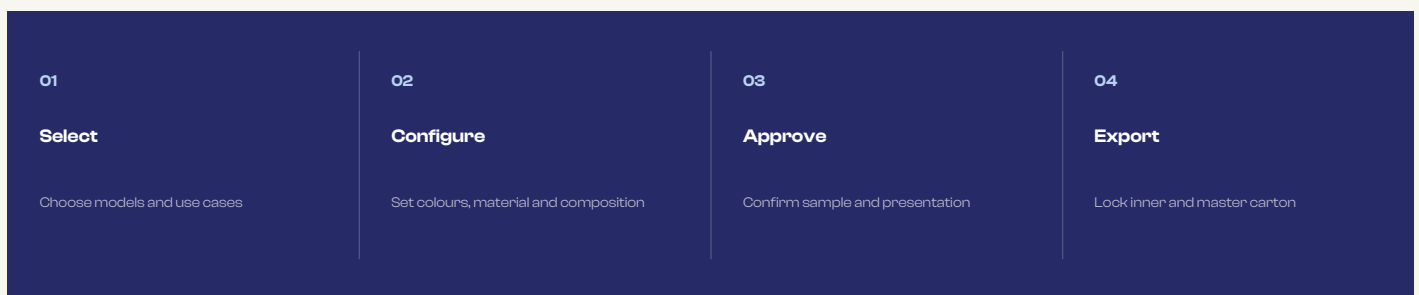

■ Export coordination

Master-carton and documentation requirements aligned.

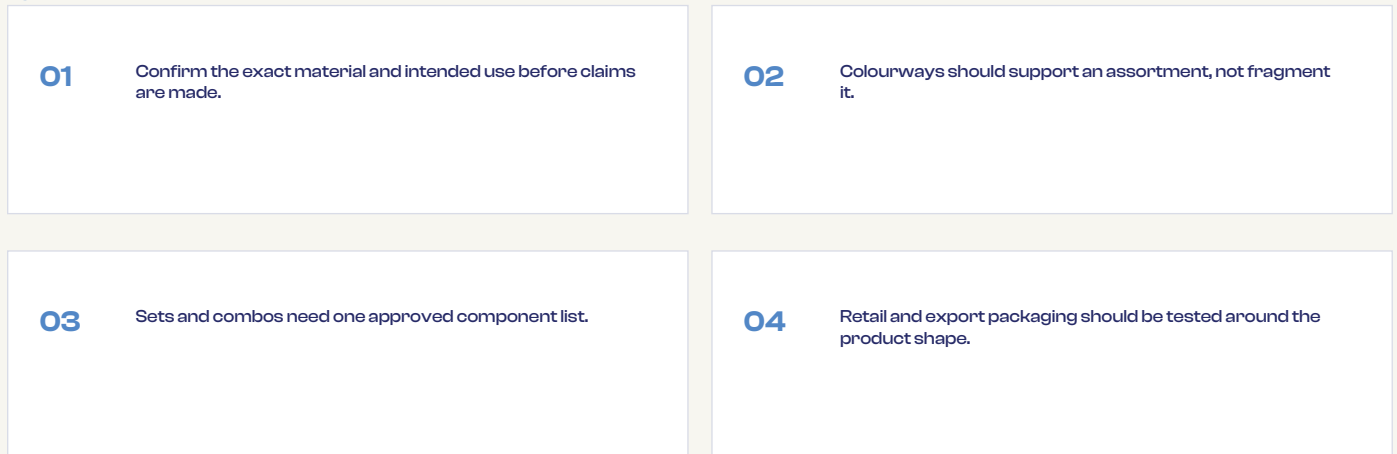

THE RANGE EDGE

Turn a broad homeware range into a buyer-ready assortment.

The range is organised by use case. Each card keeps the image, benefit, key features and two packaging routes inside one fixed geometry for faster comparison.

BUYER VIEW

Every final product, claim, component and pack remains subject to sample approval and destination requirements.

THE RANGE

Contents

Product imagery is used consistently across every entry. Buyer-facing content is limited to product, feature and packaging direction.

01	Facial Cooling Tools	05
02	Sink & Bath Organisation	07
03	Food Prep & Storage	11
04	Home Utility & Decor	14

Thirty-four products in one fixed product-card and packaging system.

Reference directions are indicative. Final specifications, components, artwork, claims and packaging are confirmed to brief.
