BEYOND EXPORTING >>>

WHO WE ARE

One accountable partner between wellness brief and market.

MerchantXporter coordinates the sourcing and export workflow around an approved product brief. Formula, serving, claims, packaging and destination requirements remain visible through one line of accountability.

WHAT MERCHANTXPORTER COORDINATES

■ Product direction

Range architecture around the target consumer and market.

■ Formula brief

Composition, serving and delivery format aligned before sampling.

■ Sample approval

Physical and documentary references confirmed before production.

■ Private label

Artwork, label, pack and assortment coordinated together.

■ Quality route

Checks aligned with the approved formula and pack reference.

■ Export preparation

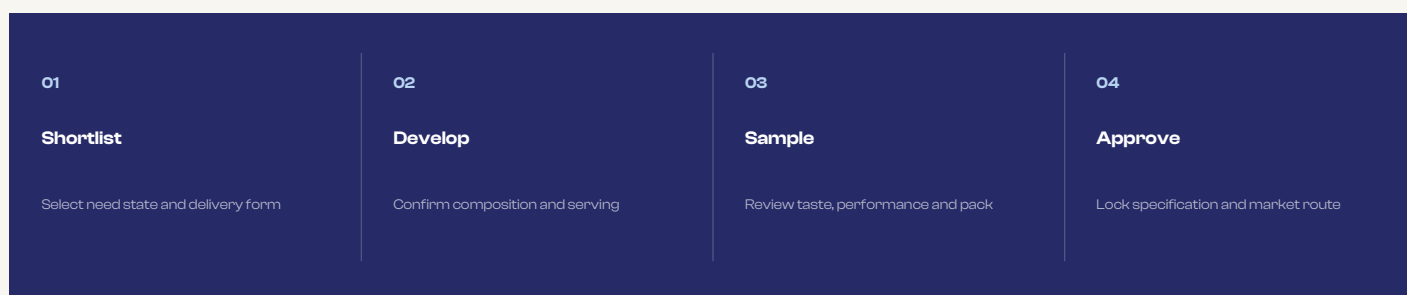

Documentation and shipment presentation coordinated to destination needs.

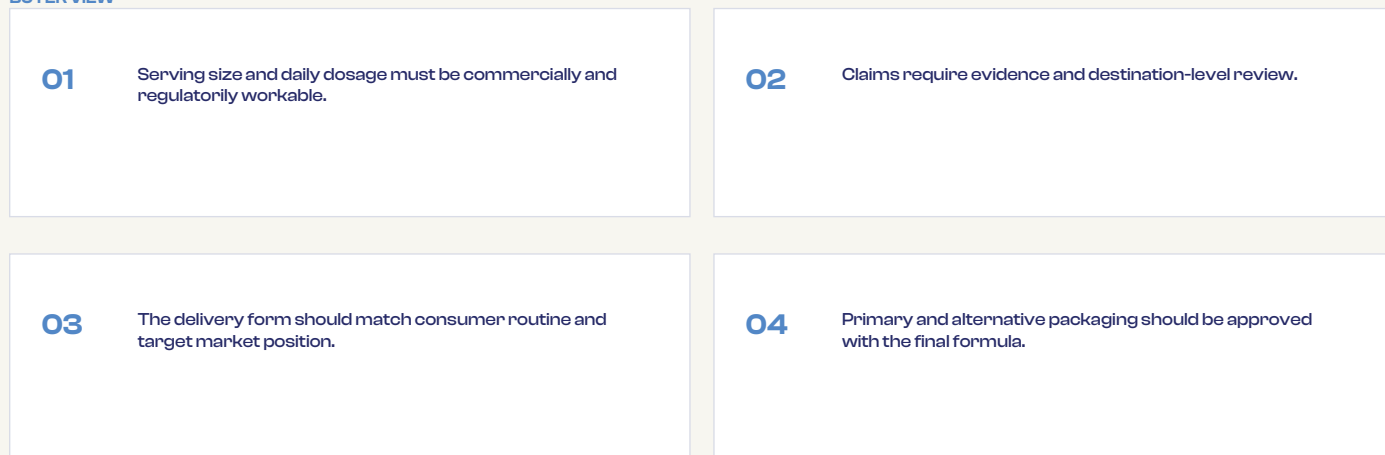

THE CATEGORY EDGE

Translate wellness demand into a controlled product and pack brief.

The catalogue separates product direction from final claims. Buyers can shortlist a formula route, delivery format and presentation level before moving into sample and documentation review.

BUYER VIEW

Every final product, claim, component and pack remains subject to sample approval and destination requirements.

THE RANGE

Contents

Every category uses the same enriched divider and the same 2 x 3 product-card grid. Each product carries a primary and alternative pack route.

01	Daily Foundations	05	08	Bone & Joint	19
02	Active & Performance	07	09	Cardiovascular Support	21
03	Gut & Digestive	09	10	Metabolic & Glucose Support	23
04	Sleep & Calm	11	11	Urinary & Bladder Support	25
05	Brain & Cognitive	13	12	Eye & Vision Support	27
06	Skin & Beauty	15	13	Antioxidant & Cellular Wellness	29
07	Women's Health	17	14	Effervescent Range	31

Fourteen wellness categories, one consistent product and packaging system.

Reference directions are indicative. Final specifications, components, artwork, claims and packaging are confirmed to brief.
