WHAT MERCHANTXPORTER COORDINATES

■ Olfactive direction

Reference family, audience and concentration route.

■ Bottle selection

Capacity, profile, glass direction and component fit.

■ Closure system

Pump, collar, cap and compatibility approval.

■ Decoration

Tint, coat, print, label and artwork direction.

■ Retail pack

Folding carton, sleeve, set or rigid presentation.

■ Export coordination

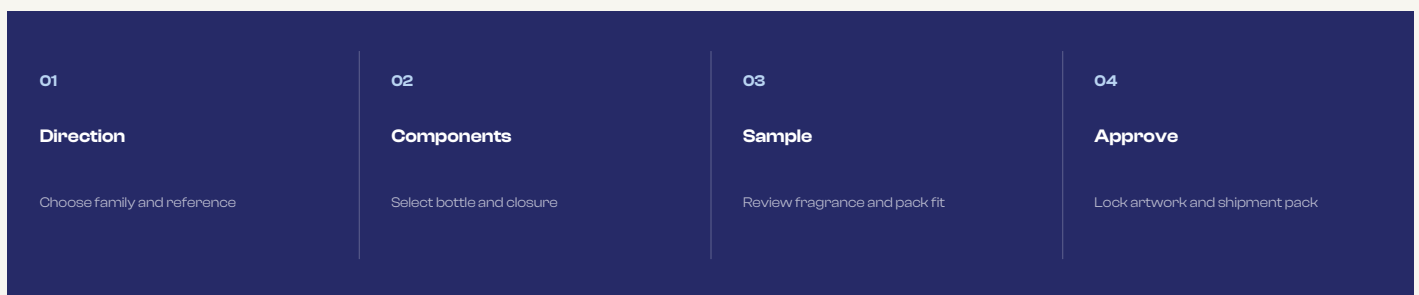

Inspection, documentation and shipment preparation.

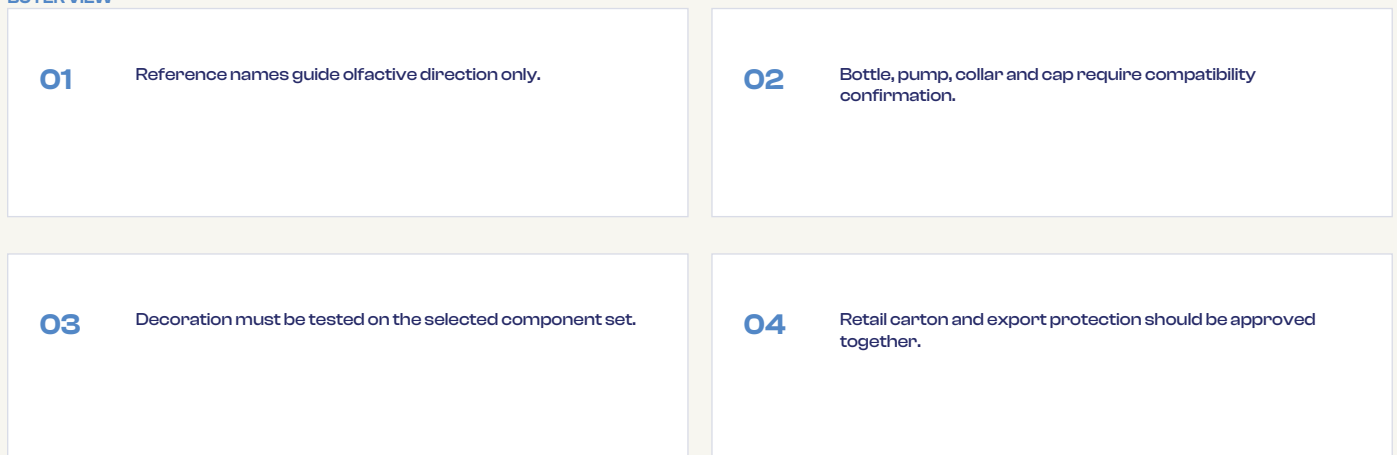

FRAGRANCE DEVELOPMENT

Build the fragrance and its presentation as one controlled system.

Formula and packaging decisions are connected. The selected concentration route, bottle, closure and decoration must be sampled and approved together.

BUYER VIEW

Every final product, claim, component and pack remains subject to sample approval and destination requirements.

THE RANGE

Contents

Bottle imagery is used consistently across every bottle entry. The oil library is presented as a complete text index without selective imagery.

01	Bottle Collection	05
02	Fragrance Oil Library	15

Fifty-three bottles and 367 oil directions in one controlled review system.

Reference directions are indicative. Final specifications, components, artwork, claims and packaging are confirmed to brief.
